## DESTINATION WEDDING WORKSHEET

Bride's Name \_\_\_\_\_

Groom's Name \_\_\_\_\_

Preferred Wedding Date \_\_\_\_\_

Preferred Wedding/Honeymoon Budget \_\_\_\_\_

### **HOW TO USE THE DESTINATION WORKSHEET**

Each of you separately should place a check mark next to the items or images on the list that appeal to you. After you have finished, highlight those items that both of you feel are important (the items that were checked by both of you).

Next, each of you should highlight, in a different colored marker or pen, 2-3 items in each category that you feel are very important to you individually (even though the other person may not have checked it.)

Your lists, after completing this exercise, will probably look like a list of all of the positive elements of all of your dream destination wedding combined. This is good; you should list as many things as you can think of. The more information you have, the better the suggestions your Destination Wedding Specialist (travel agent) will be able to make.
