*In 1978, Abe Issa pioneered the first all-inclusive resort for couples in Jamaica — blending luxury, romance and value into one extraordinary vacation experience that is Couples Resorts.*

Today, Couples Resorts proudly owns and operates four all-inclusive boutique resorts on the island of Jamaica. Embracing a casual chic infused with pure Caribbean flair, each resort features its own style and an exceptional range of facilities, cuisine, activities and excursions.

Ideally located on the island's most beautiful beaches, a paradise of endless sunshine, soft sand and warm water awaits. We encourage you to engage in thrilling land and water sports, or claim your very own shady spot of uninterrupted quiet. Luxuriate in the gorgeous setting of our award-winning spas or indulge in the bliss of a couples' massage at the water's edge.

Explore the many famous natural attractions with one of our expert guides. Savor our chefs' many culinary talents — infusing local produce and fresh seafood with Jamaica's signature herbs and spices. And spend your starry nights transported by the rhythmic sounds of steel drums, reggae and soul.

Based on our philosophy that service is key, the entire team at Couples Resorts strives to exceed your expectations by adding a special personal touch to every facet of your Jamaican stay. So whatever your pleasure, we look forward to celebrating you as a couple in one of the most enchanting places on earth.
