Maile

A bride and groom are shown in a romantic embrace, kissing by the trunk of a palm tree on a sandy beach. The bride is wearing a white, strapless, floor-length wedding gown with a long train, and she is holding a large, vibrant bouquet of flowers. The groom is wearing a dark blue suit with a white shirt and a yellow boutonniere. The background features more palm trees and a clear sky, suggesting a tropical or coastal setting.

WHAT ROLE DOES THE HOTEL PLAY

The Fairmont Orchid Catering & Conference Services Managers will guide you through every aspect of your event planning. They will be your primary contact and work closely with you to coordinate all special event arrangements and related activities. Our specially trained staff will also assist with the coordination of floral arrangements, event decor, entertainment and gourmet menu selections for your special day.

HOW DO WE RESERVE THE DATE

Events can be contracted up to 18 months in advance.

Once you have determined your preferred date and location, please contact the Catering Department so we may advise on availability. The next step will be to draft a contract; which will require your wedding package choice and general agenda of your wedding events, including the estimated number of attendees. Once the contract is reviewed we will ask for a non-refundable deposit of 25% of your estimated wedding costs.

Mahalo to Fletch Photography for the beautiful photos.
