Bolongo Bay Beach Resort - St. Thomas, U.S. Virgin Islands

We understand that your wedding day is the most important day of your life, which is why we don't just offer wedding packages - we offer unique wedding events to fulfill your dreams. Whether you prefer a private ceremony for just you and your fiancé, or a family event for hundreds, We will work hand in hand with you from your first phone call, all the way to your wedding day. Wedding planning at Bolongo Bay is as easy as 1, 2, 3...

## 1. CHOOSE YOUR WEDDING PACKAGE

We offer packages for beach weddings or unique ceremonies aboard our 53' catamaran. Once you have chosen your location, choose a package that suits the size of your group. This is just a starting point – we will customize from there.

## 2. CHOOSE THE TIME OF DAY

We highly recommend the last hour before the sun sets, or the morning, for our beach weddings– photographs look very romantic at this time of day! For our catamaran weddings, sunset is just the perfect time to sail aboard Heavenly Days with the setting sun over the Caribbean Sea as your backdrop!

## 3. CHOOSE YOUR UPGRADES

From photography, to steel pan performances, to a cocktail station set up – besides your ceremony, we offer a variety of unique touches to make your day incredible. Take a look at the enclosed information and feel free to call us directly to discuss your ideas and questions in more detail. We look forward to working with you to make this a fun and stress-free event!
